

QASIM

developer

Location: muscat oman

CURRENT POSITION

developer

TARGET POSITION

senior developer

EXPERIENCE

5 years

AVAILABILITY

Immediately available

PROFESSIONAL SUMMARY

You are right. This is not the professional CV you requested. The current output still has full-width borders, sections starting against the page edge, oversized gaps, and content that appears outside its intended area.

The uploaded reference has a clean portrait header and clearly separated sections, but the corrected version below removes the fragile sidebar and border-heavy styling that caused these problems

PROFESSIONAL EXPERIENCE

developer in seenmode

dreams business delight llc muscat

Jan 2026 - Present | software engineer | seeb muscat oman
